

THE DEVIL PREFERS

A Premium True Crime Series for Streaming

High-Concept Pitch

When an American attorney takes a guys' trip to Macau in 2009, he becomes the target of one of Asia's most dangerous Triad syndicates—triggering a 15-year survival story backed by documented audio, video, and photographic evidence.

Logline: *Narcos* meets *The Departed*, but every frame is verified and true.

Why This Story Works for Television

- ✓ **Multi-Season Potential**

15 years of documented events spanning Macau, Vietnam, and the United States

- ✓ **Unprecedented Access**

First published account exposing Triad operations from a survivor's perspective

- ✓ **Verified Evidence**

Audio recordings, video footage, and screenshots that verify every major event

- ✓ **International Scope**

Exotic locations: Macau's neon-lit casinos, Vietnam's streets, American suburbs

- ✓ **Escalating Stakes**

From surveillance to poisoning attempts to elaborate blackmail schemes involving corrupt police

Series Arc (3-Season Potential)

Season 1: The Trap (2009-2010)

Edward's Macau trip turns into a nightmare as he discovers he's been targeted. Phone cloning, surveillance, and the introduction of a psychic medium who becomes his only lifeline.

Season 2: Nowhere to Run (2011-2013)

Escalating attacks across Vietnam. Attempts to frame Edward using corrupt police, fake nurses, and planted evidence. The Triad's reach proves global.

Season 3: The Long Game (2014-Present)

Years of psychological warfare, ongoing threats, and Edward's decision to document everything—leading to the publication that exposes the entire operation.
